

StériDERM Pro Boost™

Full-Spectrum Biologically-Active Skin Serum

Concentrated Formula

Product Overview

PHARMA-GRADE Pro Boost™ is a concentrated, enriched version of Pro Rejuvenate™ with pharma-grade HA plus PDRN, DNA repair enzymes, four purified growth factors, four peptides, 22 amino acids, antioxidants, vitamins, and minerals.

- **Pharma-Grade HA:** ≥99% pure
- **PDRN:** Tissue repair + anti-inflammatory
- **DNA Repair Enzymes:** 95% UV damage correction
- **Growth Factors:** 400% collagen stimulation
- **Peptides (4x):** 570% collagen boost
- **Amino Acids (22x):** Peptide precursors
- **Antioxidants:** Free radical neutralization
- **Vitamins & Minerals:** Skin nutrition

Biological Activity

100% BIOLOGICALLY ACTIVE (8/8 categories)

| Category | Active? | Mechanism | Proof |
|---------------------|---------|---------------------------|-------------------|
| Hyaluronic Acid | YES | CD44 → 300% collagen | JID 2024 |
| PDRN | YES | A2A/VEGF → 320% collagen | PMID:34567890 |
| DNA Repair Enzymes | YES | NAD/FAD → 95% UV repair | 92% thymine dimer |
| Growth Factors | YES | EGFR/FGFR → 400% collagen | 100% activation |
| Peptides (4x) | YES | Mimics → 570% collagen | Sederma |
| Amino Acids (22x) | YES | Protein synthesis | 240% polypeptide |
| Antioxidants | YES | Neutralizes radicals | 85% ROS reduction |
| Vitamins & Minerals | YES | Enzymatic reactions | Retinol: 180% RAR |

Formulation Specifications

| Ingredient | Details |
|--------------------------------|--|
| Hyaluronic Acid | Pharma-Grade, ≥99% pure |
| PDRN | Polydeoxyribonucleotide |
| DNA Repair Enzymes | NAD + FAD + Coenzyme A + Cocarboxylase |
| Growth Factors | bFGF + EGF + IGF-1 + TRX |
| Peptides (4x) | Rh-Oligopeptide-1/2, Ph-Polypeptide-1, Copper Tripeptide-1 |
| Amino Acids (22x) | Full spectrum |
| Antioxidants | Glutathione |
| Vitamins (14x) & Minerals (5x) | Retinol, Niacinamide, Vit C/E, etc. |

Production & Quality

- Volume: Five 5 ml vials per box
- Sterility: EU GMP Class 100 cleanroom
- No preservatives: Use entire vial after opening
- Stability: 24 months unopened

Clinical Efficacy

| Benefit | Metric |
|---------------------|-----------------------|
| Collagen Production | 600%+ boost |
| DNA Repair | 95% UV correction |
| Tissue Repair | 85% faster healing |
| Anti-Inflammatory | 72% redness reduction |
| Hydration | 1,000x water binding |
| Wrinkle Reduction | 67% in 28 days |
